

~ *One Small Step for Mankind* ~

After 7 years of searching; [190 days](#) from *Chai Sarah 11/11/17* to *Pentecost/Shavuot 5/20/18* has to be the most ominous time path to date. So far each step has been a learning experience building on the next moving closer and closer to the promise.

Two key points learned from the Pentecost watch is that ***Chai Sarah 11/11/17*** was absolutely pivotal and must be considered with any date moving forward. Secondly, the number “190,” being the sum of 37 and 153, represents the appointed time of life as the combined age of Abraham (100) and Sarah (90) at the promised birth of Isaac ([Gen 17:17](#)). “190” is underscored by the 3700<sup>th</sup> verse in the bible that instructs the Levites to keep charge of the testimony of the promise by “doubling” down on the message of *Numbers 3:7* with *Numbers 1:53* (37 + 153 = 190). Holding fast and staying the course of the promise is a testimony to the faithfulness of God.

The next and **final** major observance of the Jewish year 5778 is Tisha B Av (9<sup>th</sup> day of the 5<sup>th</sup> month), when the First and Second Temples were destroyed on the very same date. Christ’s fulfilled prophecy regarding the Second Temple in 70 AD was the disciple’s answer to the timing of the end of the world. The dialogue occurred privately on the Mt. of Olives with only a few of the disciples Peter, James, John and Andrew. Christ had just “*departed from the temple*” after railing against its religious leaders until He condemns them in judgment with His abrupt departure as recorded in the previous chapter, Matthew 23.

O Jerusalem, Jerusalem, [thou] that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under [her] wings, and ye would not! **Behold, your house is left unto you desolate. For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed [is] he that cometh in the name of the Lord.** {Mat 23:37-39}

*The Temple destruction at the end of the world*

**And Jesus went out, and departed from the temple:** and his disciples came to [him] for to shew him the buildings of the temple. And Jesus said unto them, See ye not all these things? verily I say unto you, **There shall not be left here one stone upon another, that shall not be thrown down.** And as he sat upon the mount of Olives, the disciples came unto him privately, saying, **Tell us, when shall these things be? and what [shall be] the sign of thy coming, and of the end of the world?** {Mat 24:1-3} (Mark 13:1-4)

Of the disciples present on the mount, James and John would have lived long enough to witness the apocalyptic “*sign*” of the temple annihilation 37 years later in 70 AD.

Besides the disciple's specifying a "sign" to know when, there are at least four other reasons why we can understand *Tisha B' Av 70 AD* as a "sign" for the end of the world.

1. While the temple indeed fell in "70" AD, today's watch is proof that the world did not end.
2. Christ declared that "**not...one stone**" would be left standing upon another. Yet, a remnant of the "[Wailing Wall](#)" remains standing for the chanting Jewish mourners to this very day.
3. The 3-day ruin to the 9<sup>th</sup> of Av matched the 3-day destruction of the First Temple in 587 BC.
4. The 656-year period between the fall of the two temples is "10 degrees" back from the wisdom number of man 666, which marks Hezekiah's sign to know when to go up to the house of the Lord **on the third day**. {[2Kings 20:8-10](#)}

Spiritually, the destruction of man actually occurs as a thief in the night ([1 Thes 5:2](#)) on the 7,000<sup>th</sup> anniversary of the flood 5/21/11 when the door to salvation was quietly shut. This was also the last-day elect's ultimate "Passover" from judgment to eternity. The second of two dryland rainbow dates two years later falls on the dry-land *Ascension Day solar eclipse 5/9/13*, which was the start of the Sabbath day journey wisdom count (666 + 666 + 153 + 153 + 10 + 190 + 63 days) to Christ's return "**in like manner**" to the promise at Pentecost in Jerusalem.

Following this past Pentecost, [1837 days](#) from the 2013 solar eclipse also [190 days](#) from *Chai Sarah 11/11/17*; *Tisha B' Av* this year falls [1900 days](#) from the pivotal dryland *Ascension eclipse date 5/9/13*. "1900" magnifies the significance of "190" ten times *complete*.

The bible history surrounding the period of the two temples span over 1,000 years from the foundation of King David's threshing floor ([H1637](#)) to the age of Christ just beyond the crucifixion. In the 37<sup>th</sup> book of the bible, the prophet Haggai strongly urges his reader to consider when the foundation was laid to know when the earth and heavens will shake.

**Consider now from this day and upward, from the four and twentieth day of the ninth [month, even] from the day that the foundation of the LORD'S temple was laid, consider [it].** Is the seed yet in the barn? yea, as yet the vine, and the fig tree, and the pomegranate, and the olive tree, hath not brought forth: **from this day will I bless [you]**. {Hag 2:15-18} (*Temple foundation 967 BC to 2018 = 2984 years, 2984 = 8 x 373 "Word"*)

With the number "1111" at the 12,700<sup>th</sup> pi position, *Chai Sarah 11/11/17* heralded 2017 as "the foundation" year to be considered. 2017 was the first time *Chai Sarah* fell on "11/11" in "73" years since 1944. The 306<sup>th</sup> (153 x 2) prime number "2017" being an anagram of 2701 further underscores its connection to "the beginning" in *Gen 1:1* and *John 1:1* as highlighted in last year's study "[Creation to Omega](#)." Not to mention "1111" holds the value "iota," "the witness" and "**the foundations**." Calculating [190 days](#) from *Chai Sarah 11/11/17* to *Pentecost 5/20/18*, there should be no doubt that **2017 is the foundation year** that Haggai is referring to.

The 24<sup>th</sup> day of the 9<sup>th</sup> month, which was Kislev 24, in the foundation year 2017, was December 12, 2017.

➤ From Haggai's Kislev 24 date - 12/12/17 to Tisha B' Av 7/22/18 are 222 days

222 = "The Voice of God," "Firstborn," "Bless"

➤ From Pentecost/Shavuot 5/20/18 to Tisha B' Av 7/22/18 are 63 days

63 = "The Voice of the Lord," "Prophet" & "Lead"

The sum of the latest Pentecost and Tisha B' Av Sabbath periods together total 3737:

$$\begin{array}{r}

Along with the double digits **3737**, the mathematical interrelationships between several special numbers and significant years create a profound **Prophetic Matrix**:

The “18” sections of the 5778 triangle ([T107](#)) presented from [Bible Gematria points to the Hebrew year 5778](#) suggest an end that merges with the current Gregorian year “2018.”

The 5778 triangle depicts the *Creation Triangle* ([Gen 1:1](#)) with the complete purification of the elect ( $13 \times 153$  fishes) and the ark of the Lord moving with the elect “upon the waters” ([Psalm 145:17](#)). Coupled with 37, the number “19,” “the earth,” emerges as a divisor of “703;” which equates to “and the earth.” Curiously, “1088” holds the value for the words “foretell” and the “half hour” just before the thunder, lightning and earthquake as revealed in Revelation 8:1-5.

**1088 = 17 x 64:**

“17” = “Fish,” “Sacrifice,” “Kid,”

“64” = “Truth,” “Judgment,” “My Covenant,” “Aleph and Tav”

Exodus “19” totals [1369 letters](#) ( $37 \times 37$ ) that describes the preparation of the children of Israel to receive the gift of the Ten Commandments given in the next chapter 20. “1369” is the value of the “image of God” and the conclusion of the second verse of the bible ([Gen 1:2](#)): “And the spirit of God moved upon the face of the waters.” This phrase has an ordinal (order) value of [271](#).

Because it cleanses, “water” symbolizes the spoken Word of God ([Heb 10:22](#)) from the beginning because spiritually it held the power to purify the soul. The spirit of God moving upon the face of the waters symbolizes the fulfillment of the Word leading to the promise of eternity at the conclusion, which its manifestation is represented by the gift of the [Ten Commandments](#) spoken on Mt. Sinai in Exodus 20. The Spirit of God moving ([1369](#)) in “Jesus Christ” ([2368](#)) relates to the revelation of the glory of the Lord ([3737](#)). ( $1369 + 2368 = 3737$ )

**And there came a fire out from before the LORD**, and consumed upon the altar the burnt offering and the fat: which when all the people saw, they shouted, and fell on their faces. {Lev 9:24} = **3737**

190 is the 19<sup>th</sup> triangular number. The sum of all integers from 1+2+3+4+5...to 19 equals "190." "19" holds the value for "The earth" and "He shall come" as it relates to physical manifestation. "19" forms the hexagon in the heart of the star number "37." "19" is the ordinal value for "The Heart," which also has a standard value of "37."

The Heart הלב HaLev	<u>19</u> = 5 + 12 + 2 (Ordinal Value)	
	37 = 5 + 30 + 2 (Standard Value)	

Bible Wheel

"190" is 19 times divisible by the sum of its own digits:  $190 \div (1+9+0) = 19$

"153" is 17 times divisible by the sum of its own digits:  $153 \div (1+5+3) = 17$

The "19<sup>th</sup>" prime number "67" is the value of "ruler" and the 7<sup>th</sup> Hebrew letter "zayin," which relates to understanding (binah). There are 335 days from the Great American Eclipse 8/21/17 to Tisha B Av 7/22/18.  $335 = 5 \times 67$ . The more one can appreciate the properties, computations, principles and values of numbers; the greater the understanding.

The sequential cube sums of most digits ultimately result in the special 17<sup>th</sup> triangular number 153. This was covered in more depth in "The Feast of Light Shining - 153." Presented below are two examples for America's "New World" year "1776" and the wisdom number of man "666:"

**1776 = "Creation of Light"**

The 19-year cycle (Metonic Cycle) is the realignment of the sun, moon, and the earth when they return to the same positions in their relationship to each other. Below is a related excerpt on the significance of *the 19-year cycle*.

...The significance of 19-year time cycles,  
*pertaining to the Hebrew calendar...*

The calendar most commonly used today is the Gregorian calendar, which has its roots in Rome. It uses, as its base, the solar year (365 ¼ days in length). Although the word "month" derives from "moon," this calendar's months are not governed by the phases of the moon.

One of the basic principles of the Hebrew calendar is the observation that the sun, earth, and moon come back into the same relative position every 19 years—a fact of astronomy. In one lunar month, the moon rotates around the earth. In one solar year, the earth revolves around the sun. But only once in every 19 years do they come back into the same precise conjunction. Thus, every 19 years (the combination of 12 common years with 7 leap years [235 months exactly]), the lunar cycle comes back into *precise* conjunction with the solar cycle.

The 19-year time cycle is the standard by which the lunar and solar cycles are brought into harmony. It is in between these precise points in time that the harmony between lunar and solar cycles is approximated by leap years, and other fine-tuning adjustments provided for by the calendar mechanisms. No man-made calendar maintains this balance. ***It is as if God uses this precise alignment, every 19 years, to continually remind us that His calendar is still dependable and "on time."***

~ Psalm 19 ~

*The "19<sup>th</sup>" book of the bible, "19<sup>th</sup>" chapter*

**The heavens declare the glory of God**; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. [There is] no speech nor language, [where] their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, Which [is] as a bridegroom coming out of his chamber, [and] rejoiceth as a strong man to run a race. His going forth [is] from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof. {Psalm 19:1-6}

49 (7x7) years ago on July 20, 1969, Apollo 11 landed on the moon. Ever since, the commemorative words of Neil Armstrong continue to resonate to this day: "That's one small step for man, one giant leap for mankind." July 20<sup>th</sup> aligns perfectly with the 7<sup>th</sup> day igniting of the 3-day (7<sup>th</sup> to 10<sup>th</sup>) temple infernal in the 5<sup>th</sup> month 587 BC, which harmonizes well with King Hezekiah's understanding to go up to the house of the Lord "on the 3<sup>rd</sup> day." (2 Kgs 20:5,8)

**And in the fifth month, on the seventh day of the month, which is the nineteenth year** of king Nebuchadnezzar king of Babylon, came Nebuzaradan, captain of the guard, a servant of the king of Babylon, unto Jerusalem: {2 Kings 25:8} (Jer 52:12-16)

**254 x 19** = "And the Word was made flesh, and dwelt among us, (and we beheld his glory..."

The cube sum of 190 totals 730, which is an anagram of "703" the central focal point of the Creation Triangle. "703" holds the value for "*and the earth,*" and factors: **19 x 37**.

Enveloped by a trifecta of "666," the wisdom number of man; it has become apparent that God has planted a bullseye on His manifestation on earth from the very beginning of creation. A series of words holding the value of "730" is concentrated at *Hebrews 4:12f*.

<sup>12</sup>For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. <sup>13</sup>Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do. {Heb 4.12-13}

Hebrews happens to be the "19<sup>th</sup>" book of the New Testament. Amazingly, "*Hebrews 4:12*" holds the value of 19,748, which equates to "19,000 + 305 + 443." 19,000 is the grand magnification of "*physical manifestation.*" "305" is the value of the conjunction "and" (G5037), which unites "19,000" with 443," the value of "*The Word,*" "*Beginning*" and "*The House of God.*"

Furthermore, the Hebrew index "412" is the value of "*House,*" "*The Ark*" and "*The Sign;*" and is the double of "206," the value of "*Word*" and "*The Great House.*"

The square of 19 (19 x 19) is 361," which equates to "*the flesh.*" The concentration of the word "*flesh*" is amplified in "Revelation 19," which is linked to *Genesis 19* by the word "*smoke.*" *Genesis 19* describes the destruction of Sodom and Gomorrah.

**19** multiplied by 6 is 114," the value of "*gracious,*" "*knowledge*" and "*lightning*" (Ezek **1:14**).

And the Word was made **flesh**, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth. {John **1:14**}

*The value of "dwelt among us" = 19 x 79 (Testimony, Witness)*

The indexes of Hebrews 4:12 and John 1:14 - produces the Logos and Grace Manifest Holographs well illustrated in the Bible Wheel graphics presented below:

910 = "The Order of Melkisedek," "Jesus of Nazareth," 91 = "Believe/Faithful," "Amen"

6 of 7 occurrences of the word "flesh" (19 x 19) found in the "19<sup>th</sup>" chapter of the bible's final book, Revelations, is "revealing" in itself.

Although traditionally observed on the ninth day of the fifth month, when we compare the two biblical accounts of Tisha B' Av, we discover that the actual burning of the temples lasted over a three-day evening/morning period, from the **seventh day** (evening) to the **tenth day** (morning), as the morning of the 10<sup>th</sup> day of Av begins on the evening of the 9<sup>th</sup>.

And in the fifth month, on **the seventh day of the month**, which is **the nineteenth year** of king Nebuchadnezzar king of Babylon, came Nebuzaradan...every great man's house burnt he with fire. {2 Kings 25:8-9}

Now in the fifth month, in **the tenth day of the month**, which was **the nineteenth year** of Nebuchadnezzar king of Babylon, came Nebuzaradan...and all the houses of the great men, burned he with fire. {Jer 52:12-15}

The **7<sup>th</sup> day** of the 5<sup>th</sup> month Av happens to be July 19<sup>th</sup> when the darkened signs of the stars, moon and sun are expected to begin in harmony of prophetic scripture. *July 19* can be written as “7/19,” which falls 1897 days from 5/9/13. **1897** = “lightning,” “to happen” and “*The LORD is the portion of mine inheritance and of my cup: thou maintainest my lot.*” {[Psalm 16:5](#)}

Five years ago we learned that there were 719 days from the guaranteed *Spiritual Judgment Day* 5/21/11 to the beginning of the *Sabbath Journey count* 5/9/13, which turns out to be 1900 days to the end. While “719” holds the value for “**beginning**,” “1900” holds the value for the Greek word “*trecho*” ([G5143](#)), which means “**race**,” “**course**,” “**run**” and “**to overcome**.”

As noted, the square of 19 is 361 (19 x 19), which holds the value for “**Mount Zion**” ([Psalm 48:2](#)) and “**flesh**.” The phrase “The body of Jesus,” who rose on the third day, values 2869 - the result of 19 x 151. “151” equates to “**The people of God**,” “**gathering**,” “**ingathering**” & “**multitudes**.” The fate of the gathering is expressed in Hosea 1:11, which also shares the value 2869.

Then shall the children of Judah and **the children of Israel be gathered together**, and appoint themselves one head, and they shall come up out of the land: for great shall be the day of Jezreel. {[Hos 1:11](#)} (“111” = Aleph & “*The beginning of wisdom*”)

When the Jews sought Jesus for a sign, He referred them to the sign of Jonas ([Mat 12:39-41](#)) and “**The Temple of His Body**,” which identifies with “**the people of God**” ([Eph 5:30](#)).

**Destroy this temple, and in three days I will raise it up.** Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days? **But he spake of the temple of his body.** {[John 2:19-21](#)}

In 2869 we find that “*The body of Jesus*” reflects the “*image of God*” and “*light*” for His people. 2869 is the sum of 1369 plus 1500. “1369” (37 x 37) equals “**The image of God**.” “1500” is the value of “**light**,” “**Mount Zion**” ([Rev 14:1](#)) and [Ezekiel 37:27](#):

My tabernacle also shall be with them: yea, I will be their God, **and they shall be my people.** {[Ezek 37:27](#)} (27 x 37 = 999 = “**Key**,” “**Door of Hope**” and “*the Holy Spirit saith*” – [Heb 3:7](#))

It turns out that the cumulative “*running totals*” of Sabbath Journey periods calculated to *Pentecost/Shavuot* in “The Writing on the Wall” was a precursor to the “*ingathering*” for “*the people of God*.”

+ 666 = 666 *Purim* 3/6/2015  
+ 1332 = 666 + 666 *Hanukkah* 12/31/16  
+ 1485 = 666 + 666 + 153 *Shavuot* 6/2/2017  
+ 1638 = 666 + 666 + 153 + 153 Allhallowtide 11/1  
+ 1648 = 666 + 666 + 153 + 153 + 10 *Chai Sarah* on “11/11”  
+ 1838 = 666 + 666 + 153 + 153 + 10 + 190 *Pentecost/Shavuot* 5/21/18  
**8607 = 3 x 19 x 151** “*Ingathering*,” “*People of God*”

23 years ago during the jubilee year watch of 1994 (*Promise Study - Tisha B' Av - [Third Watch](#)*) we discovered discrete 2,300-day time paths that interconnected the *Jubilee Passover to Tisha B' Av* ("9<sup>th</sup> day of the 5<sup>th</sup> month called Av") which was the day of destruction for both the *First and Second Temples*. The same 2,300-day time path occurred again counting backwards with respect to the Spiritual Judgment year 2011. This was covered in the promise study "[The Temple of His Body](#)" and found to be of profound significance since Christ also pointed out the literal destruction of the temple where He often taught in response to the disciples question regarding the timing for the end of the world. Below is an excerpt of the count table derived from that watch:

Given the unlikely circumstances of Christ's prophecy where both temples were destroyed on the same date, which provoked the disciples to relate to the end of the world; we have long pondered the possibility of a deeper hidden message which could tie the date of *Tisha B' Av* to the timing of the end. Seeing the 2300 days pointing to *Tisha B' Av* is crucial because it points to the ultimate time when the temple will be cleansed:

How long shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, **Unto two thousand and three hundred days; then shall the sanctuary be cleansed.** {Dan 8:13-14}

The Number 2869 factors as follows: 2869 = 19 x 151. 19 and 151 are the 8<sup>th</sup> and 36<sup>th</sup> prime numbers respectively. The Bible Wheel depicts both centered in the heart of “373” the Logos Star:

- A. **19** “The Earth” is found in the heart of the Wisdom Star 37
- B. **151** “The People of God” embraces the Wisdom Star 37
- C. **373** “The Word of God” incorporates both “Wisdom” and “the people of God” at its core

The heart of the Logos Star is a six-fold ring of hexagons representing the Number 19 centered on the Number 37 as Star. This structure resonates with the ideas of physical manifestation associated independently with the Numbers 6 (Six Days - cf. the [Work of Creation](#)) and the Number 19 (cf. [Grace Manifest Holograph](#))

Bible Wheel excerpt

With [1,900 days](#) being the result of  $19 \times 100$  "Fire and Brimstone,"  $190 \times 10$  and the concluding Sabbath Journey count, recognizing the extreme prominence of the number 19 at the end prompts further scrutiny of this number at the beginning of creation. 6 years ago, we overlooked the significance of 19 as the hexagon in the heart of 37, when we shockingly learned the extreme rarity of 37 (*less than one in ten thousand trillion*) as the first hexagon/star number in harmony with the promise land rest of Sarah 37 years after the promised birth of Isaac. The excerpt from the Bible Wheel below took some time to digest.

**[GR] > The Number 37 - The Heart of Wisdom**

**In the beginning God created the heaven and the earth.** Gen 1.1

The centrality of the Prime Number 37 in the structure of Scripture cannot be overstated. It begins in with the [Creation Holograph](#):

$$\text{Sum of Genesis 1.1} = \underline{2701} = 37 \times \underline{73} = \text{Sum}(\underline{73})$$

The Number 37 is geometrically integrated with the Number 73 - it is the Hexagonal heart of 73 as Star, so  $37 / 73$  is a Hexagon / Star pair. **The Number 37 is also the first number greater than unity that can be represented as both a [Centered Hexagon](#) and a [Star](#):**

Such numbers are extremely rare. Here is a list of the first twelve numbers that are both Centered Hexagons and Stars:

1, **37**, **1261**, 42841, 1455337, 49438621, 1679457781, 57052125937, 1938092824081, 65838103892821, 2236557439531837, 75977114840189641

**As can be seen from the list, there are only twelve such numbers less than  $7.5 \times 10^{16}$ , which is less than one in ten thousand trillion. The Number 37 is the only such number less than a thousand, and this is the Number found in the very heart of Genesis 1.1.**

*Bible Wheel excerpt*

After 37, the very next hexagon/star number **1261** holds the value for the **13,700<sup>th</sup>** (137 x 100) verse in the bible Job 34:16, which mimics the words of Peter at Pentecost who recites the words of the prophet Joel.

If now *thou hast* understanding, hear this: **hearken to the voice of my words.** {Job 34:16}

But Peter, standing up with the eleven, lifted up his voice, and said unto them, Ye men of Judaea, and all ye that dwell at Jerusalem, be this known unto you, and **hearken to my words:** {{Act 2:14}}

***But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy: 19 And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come....*** {Act 2:16-20}

At the time of the breathtaking realization about the number 37, we could only appreciate 137 as the age of Abraham when he publically buried Sarah in the promise land of Canaan. Only later were we further taken back by its **mysterious significance** as the divide of light over matter in sync with its scriptural definition in Gen 1: 4 where the 137<sup>th</sup> letter of the bible starts the 37<sup>th</sup> word, which happens to be **“light.”**

"And God saw the light, that it was good: and God divided the **light** from the darkness." Gen 1:4

יִרְאֵה אֱלֹהִים אֶת הָאֹר כִּי טוֹב וַיִּבְדֵּל אֱלֹהִים בֵּין הָאֹר וּבֵין הַחֹשֶׁךְ

333 68 212 62 86 52 17 30 212 401 86 217 = 1776

37<sup>th</sup> word in the Bible starts with 137<sup>th</sup> letter

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: {Gen 1:14} (114 = 6 x 19)

**“137”** holds the value for the word **“tittle”** linked to **“jot”** where **“...it is easier for heaven and earth to pass, than one tittle of the law to fail.”** (Luke 16:17)

For verily I say unto you, Till heaven and earth pass, one **jot (1111)** or one **tittle (137)** shall in no wise pass from the law, till all be fulfilled. {Mat 5:18}

This promise is echoed in Christ’s fig tree prophecy for the last generation when “summer” is at the door.

Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that **summer [is] nigh**: So likewise ye, when ye shall see all these things, know that it is near, **[even] at the doors**. Verily I say unto you, This generation shall not pass, till all these things be fulfilled. **Heaven and earth shall pass away, but my words shall not pass away.** {Mat 24:32-35}

The Greek word here translated as “summer” is “theros” ([G2330](#)) which actually means “to heat.” Yet, man will even deny clear signs of global warming despite the overwhelming proof.

**“Red hot Planet: All time heat records set all over the world....”**

The Washington Post  
7/4/18

Now we see the “light” of “1500” tied to “The image of God” (1369), “The People of God” (151) along with “The Body of Jesus” (2869) and “The earth,” & “He shall come” (19).

$$1500 \text{ (Light)} + 1369 \text{ (Image of God)} = 2869 \text{ (Body of Jesus)} = 151 \text{ (People of God)} \times 19 \text{ (earth)}$$

And again another scripture saith (Zech 12:10), **They shall look on him whom they pierced.** {John 19:37} ([Zech 12:10 = 2869](#))

This brings us back to the number 19 found in the heart of the unique number 37 (like 703 in the heart of 2701). 19 and 37 hold the ordinal and standard values of “the heart” respectively.

The Heart הלב HaLev	<b>19 = 5 + 12 + 2 (Ordinal Value)</b>	 19 / 37
	<b>37 = 5 + 30 + 2 (Standard Value)</b>	

The same pattern also exists for the word **“wisdom”** with respect to the 37/73 star/hexagon pair.

<b>Wisdom</b> חכמה	<b>37 = 8 + 11 + 13 + 5 (Ordinal Value)</b>	
<b>Hokmah</b>	<b>73 = 8 + 20 + 40 + 5 (Standard Value)</b>	
		37 / 73

Similar to “703” (“**and the earth**,” “Canaan,” “The covenant of God”) found in the heart of creation 2701; the number “19” (“**the earth**” & “He shall come”) is also fundamentally and geometrically prophetic in the sovereign **“Word”** (logos) of God.  $19 + 703 = 722 = 2 \times 19 \times 19 \Rightarrow$  “7/22/18”  
722 = “Sword”

We can see here that the heart of wisdom 37 is found in the **Word** that came to the earth with **Light**.

In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not. There was a man sent from God, whose name [was] John. The same came for a witness, to bear witness of the Light, that all [men] through him might believe. He was not that Light, but [was sent] to bear witness of that Light. [That] was the true Light, which lighteth every man that cometh into the world. He was in the world, and the world was made by him, and the world knew him not. {John 1:4-10}

**19f** And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God. {John 3:19-21}

"1-9" is the combination of the *first (1)* and *last (9)* digits, signifying Christ as *"The Alpha and Omega, the beginning and the end, the first and the last."* (Revelations [1:8](#), [1:11](#), [21:6](#), [22:13](#))

Apparently, "19" was conceived from the heart of 37 from the beginning of creation. Abraham and Sarah were the combined age of 190 at the birth of Isaac 2030 BC. 37 years later Isaac gets married when Sarah is laid to rest in the promise land of Canaan at 127. Now the final Sabbath Journey count of [1900 days](#) correlates with and becomes prevalent again at the very end.

*From the promise birth of Isaac 2030 BC to year of promise 2018 are 4047 years*

"19" is the value of the Hebrew word "One" as in "One God" underscored in the 2<sup>nd</sup> Commandment, which equals 12,573 ([99](#) x [127](#)) Ages of Abraham's promise x Sarah's Canaan rest.
