

The Set Time Promise

The glistening time paths leading to *Chai Sarah 2018* shielded the possibility of any other forecast ahead. Yet, as the day passes, we must continue to keep hold of the sacred testimony as charged by [Numbers 3:7](#), the **3700th** verse of the bible which mirrors [Numbers 1:53](#).

Since the Word proves that the Lord is not slack concerning His promise; like Abraham and Sarah, we know that the Lord will return at the appointed time according to the time of life ([Gen 18:10, 14](#)) at the same set time in the next year as promised ([Gen 17:21, Gen 21:1-2](#)). We also learned that Chai Sarah marked the time of life 11/11 in the pivotal year 2017, an anagram of the creation verse value 2701. Among several profound correlations covered in the "[Scales of Biblical Proportions](#)," "[1111](#)" points to "Jesus Christ" and occurs at the 12,700th position of Pi.

The only conceivable alternative to understand the next year promise comes "not many days hence." The same set time 11/11/18 on the Gregorian calendar is only eight days ahead of *Chai Sarah 11/3/18*. "Eight" is the number of days for circumcision that God gave Abraham as a sign of His promise ([Gen 17:10-12](#)). 8×296 "The earth" = **2368** "Jesus Christ." We can quickly test the set date 11/11/18 by adding eight days to key time paths realized for *Chai Sarah 11/3/18*.

This year November 11, the international world gathered in France to commemorate the 100th anniversary of *Armistice Day* - the end of World War I. This day of commemoration was marked by a call for unity and peace. "[100](#)" holds the ordinal value of the "King of Israel."

Chai Sara 11/3/18 was the third day from Allhallowtide. Last year Allhallowtide 11/1/17, ten days back from Epic Chai Sarah 11/11/17, was the Hezekiah's 10° back sign to know when go up to the house of the Lord "on the third day" (2 Kings 20:8-11). At Shavuot on Mt. Sinai, the children of Israel had to be ready against the third day for the Lord to appear before all the people.

And be ready against the third day: for the third day the LORD will come down in the sight of all the people upon mount Sinai. {Exo 19:1} **16 And it came to pass on the third day in the morning, that there were thunders and lightnings**, and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that was in the camp trembled...¹⁸ And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, **and the whole mount quaked greatly**. {Exo 19:16, 18}

This year May 20th (7 years from 5/21/11), Shavuot incredibly fell exactly 190 days from Epic Chai Sarah 11/11/17. "190" holds the value for "End," "time" & "Canaan." From Pentecost/Shavuot 5/20/18 to the time of life 11/11/18 are 175 days. While "175" holds the value for "open" and "deliver;" it is also the age of Abraham when he was laid to rest in the promise land of Canaan.

And these [are] the days of the years of Abraham's life which he lived, an hundred threescore and fifteen years. Then Abraham gave up the ghost, and died in a good old age, an old man, and full [of years]; **and was gathered to his people**. And his sons Isaac and Ishmael buried him in the cave of Machpelah, in the field of Ephron the son of Zohar the Hittite, which [is] before Mamre; The field which Abraham purchased of the sons of Heth: **there was Abraham buried, and Sarah his wife**. {Gen 25:7-10}

The application of a third-day extension to 11/13/18 for the pivotal dates recognized by this watch only further harmonizes the sign of Hezekiah.

Last year Epic Chai Sarah - 11/11/17 merged with the 99th anniversary of WWI - 11/11/1918, which means that Veterans Day 11/11/2018 is the 100th anniversary of WWI. The Great American Total Eclipse 8/21/17 also fell 99 years after its former 6/8/1918. Abraham was 99 when God promised him a son at the age of 100 in the very next year (Gen 17:17). 100 years ago World War I ended in the 11th month, on the 11th day at the 11th hour.

As the world continues to obliviously plan for the future, the signs of the times quietly moves onward in plain sight. In His day, Christ criticized the select discernment as hypocrisy

He answered and said unto them, When it is evening, ye say, [It will be] fair weather: for the sky is red. And in the morning, *It will be* foul weather to day: for the sky is red and lowring. **O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times?** {Mat 16:2-3}

While the world quickly dismissed the 11013 BC timeline that calculated 4990 BC as the year of the flood and 2011 as the end of salvation; it was dazzled by the 666-year span from the [Black Death Comet Negra](#) 1347 to Comet ISON 2013, which merged with a [Thanksqivukkah](#) that cannot reoccur for another 77,000 years.

Then thanks to John Hagee's best seller "Four Blood Moons" that harbingered worldwide change in 1492 (*America discovered*), 1929 (*Great Depression*), 1948 (*Israel rebirth*) and 1967 (*Six Day War*) the world took a collective sigh of relief once the final Tabernacle feast had passed.

Epic Pi Day 3/14/15 and the *Super-moon Solar Eclipse Equinox 3/20/15* were days of curiosity led by enthusiastic mathematicians and astronomers. Yet, the *Great American Total Eclipse and Virgo Sign* of 2017 drew massive global attention driven by the media and online viral wonder. Millions of people who were in line with the eclipse would witness the solar event first hand.

Although time has surpassed them, the recent dates remain significant signposts to harmonize the biblical calendar of God. The passing of this watch only means God has another interpretation in store for His “set time” promise.

But my covenant will I establish with Isaac, which Sarah shall bear unto thee at **this set time** in the next year. {Gen 17:21}

A year after the spiritual Judgment of 2011, we understood the set time as the dry land date Iyar 27, which fell on the solar eclipse 5/20/12. The very next year we discovered another dry land solar eclipse that also merged with *Ascension Thursday 5/9/13*. This date was realized as the pivotal Sabbath Journey start that has proven valid and pivotal as a pillar for the progressing time paths on the journey.

Could it be “in like manner” that the “Ascension Thursday” will also be the set time to end of the Sabbath Journey? Since this year’s *Ascension Thursday 5/10/18* has already passed, the next year set time *Ascension Day from Epic Chai Sarah 2017* will be May 30, 2019. This deserves further scrutiny as time permits.

The previous profound time paths leading up to this point is a testimony of the Glory of God. Since He remains forever faithful, we shall remain patient and continue prayerfully in the watch.

For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. Behold, his soul [which] is lifted up is not upright in him: **but the just shall live by his faith**. {Hab 2:3-4}

Now **faith is** the substance of things hoped for, **the evidence of things not seen**. {Heb 11:1}

⁸ By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. ⁹ By faith he sojourned in the land of promise, as [in] a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: ¹⁰ For he looked for a city which hath foundations, whose builder and maker [is] God. ¹¹ **Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised**. {Heb 11:8-11}
