"Vision Plain upon Tables"

Sir Isaac Newton referred to scriptural prophecies as **"Histories of Things to Come."** His meticulous calculations arrived at an end time year of 2060. History proves his day-for-a-year reconciliation of Daniel's **"time, times and a half"** equating to 1260 years is valid at the correct starting point. Rather than 800 AD, if Newton had begun his count at Constantine's V idol worship revolt of **754 AD** (754 = "Jesus Christ"); he would have calculated 1260 years to a **Crucial Apocalyptic Signpost** at year 2014. The yearly Idol Worship Day (Allhallowtide) Nov. 1, 2014 was the 259th (259 = **7 x 37**) anniversary of the Great Lisbon Earthquake-Tsunami-Inferno **1755** as well as precisely 1260 days from the guaranteed end of salvation - May 21, 2011.

The historic time paths converging at 11/1/14 was a shadow pointing ahead to **Epic Year 2017**. Similar to G3700 & G2017; G2014 means **"to give light"** or **"appear"** as Allhallowtide - 2014 also fell 1260 days from the guaranteed judgement date of May 21, 2011, exactly 7,000 years from the flood date when sadly the Great Tribulation finally had begun as the salvation door was shut. A time: "...such as was not since the beginning of the world to this time, no, nor ever shall be." (Mat 24:19-21, Gen 7:4). This would be a **Sabbath time** of rest from witnessing (Joh 9:4).

Counting two dry-land rainbow eclipse dates (Iyar 27 - Gen 8:14, 9:13) after 2011 led to the key **Ascension Thursday - Solar Eclipse 5/9/13**, which was 541 days to 11/1/14. **"541"** is the 100th prime number, the tenth hexagon/star number and holds the value for "Israel" and "The Judgement." "Rainbow" shares the value of **"800"** with the words "faith," "Lord," "Seventy," "Omega" and "years." Two "rainbows" or two "years" equate to 1600 (2x 800), which is the numeric value of the phrase **"And it came to pass at the end of two full years, that Pharaoh dreamed"** (Gen 41:1). At the Ascension, the two witnesses declared that Christ would **"return in like manner"** a **Sabbath day's** journey to Jerusalem. (Act 1:10-12, John 6:62f)

Now here is the Wisdom timeline that begins with a double 666:

The Sabbath Journey start date 5/9/13, for those with understanding, is the same starting point to count 666 as the number of man according to the wisdom verse [Rev 13:18](#). The written words: “six hundred and sixty six” doubly holds the same value of the number “666.” The first [666-day](#) span from 5/9/13 fell on [Purim 3/6/15](#); which was immediately followed by a second count of [666 days](#) to the last day of the [Hanukkah](#) at the end of the year 12/31/16 ([Miketz](#)).

Since Christ’s last observance of Hanukkah preceded Pentecost 33 AD by [153 days](#) ([John 10:22-24](#)); extending an added [153 days](#) to Hanukkah-Miketz 12/31/16 led to [Shavuot 6/1/17](#), which is the feast of the Ten Commandments. A second count of [153 days](#) led to **Allhallowtide 11/1/17**, the 306th day of “2017,” which is the 306th prime number. 306 is the double of 153. [G2017](#) originates from [G2014](#) = “to give light.” 11/1/17 is 10 days back from *Epic Chai Sarah* 2017, which is the first time falling on “11/11” in 73 years. “11/11” is reflective of “Gen1:1 & John 1:1,” which combined gematria value forms the 112th Foundation Triangle, an anagram of “Jesus Christ” (2368), at 6328. **2017** is a permutation for the value of the creation verse **2701**.

Thus, we have two double counts of 666 + 666 and 153 + 153 days to get to 11/1/17; ten days back from pivotal *Epic Chai Sarah* 11/11 in *Epic Year* 2017, which is reflective of 2701.

From the *Ascension Thursday - Solar Eclipse - Sabbath Journey* start date 5/9/13 to Allhallowtide 11/1/17 are 1637 days. “1637” is the value of Habakkuk [2:3](#) “...but at the end it shall speak...”

Allhallowtide 11/1/17 is the realization of Hezekiah’s sign being 10 degrees back ([2 Kgs 20:8-10](#)) from *Epic Chai Sarah*, the [5th Torah portion](#) 11/11/17, underscored in Hebrews “11:11”

“Through faith also **Sara** herself received strength to conceive seed, and was delivered of a child when she was past age, because **she judged him faithful who had promised.**” {Heb 11:11}

"1111" equates to **"the Witness"** and **"jot" (iota)** that unites [Gen 1:1 and John 1:1](#)

For verily I say unto you, Till heaven and earth pass, one jot or one tittle [137] shall in no wise pass from the law, till all be fulfilled {Mat 5:18, 24:34-35}. Mark 13:31

Accordingly, "1111" also holds the value for **"The Foundations"** and **"The Flood."** To further underscore its magnitude, "1111" is first found at the **12,700th** position of Pi. According to the time of life ([Gen 18:10, 14](#)); Sarah was laid to rest in the Promise Land at age **127** ([Gen 23:1-2](#)). Incredibly, **11/1/17** was the **500th anniversary** of Martin Luther's Protestant Reform in 1517.

Just as we counted two dryland rainbow dates after the 7,000th anniversary of the flood 5/21/11 to get to the start of the Sabbath Journey count 5/9/13 which led **1637 days** to the **Appointed Time 11/1/17**; from there we must also count ahead two appointed times of 11/1 dates to arrive at 11/1/19, **2368 days** from the Sabbath Journey start 5/9/13.

➤ From Sabbath Journey Start 5/9/13 to End at Allhallowtide 11/1/19 are **2368 days**

Although the Lisbon Earthquake occurred over a quarter of a century ago, the comparative timelines side by side underscore an ominous reminder of a very dramatic **“appointed time.”** Anyone who would dare dismiss the correlation as mere coincidence is living in dark denial.

*I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reprov'd. And the LORD answered me, and said, **Write the vision, and make [it] plain upon tables,** that he may run that readeth it. {Hab 2:1-2}...*

Habakkuk 2:3 = 1637

*For the vision [is] yet for an **appointed time**, but **at the end it shall speak**, and not lie: though it tarry, wait for it; because it will surely come, **it will not tarry.** {Hab 2:3}*

How amazing is it that **“1637”** is the 259th prime number holding the value for the stern promise of Hab 2:3. 1637 days landed 10 days short of the 306th day in 2017 the 306th prime number. This merges with the end of 500 years from Martin Luther’s reform 1517. **“500”** is the value of “ruler,” “I have given” and “be fruitful and multiply.” Just as referenced by the Strong indexes (G2014 - G2017); the year 2014 was a signal to shed light in anticipation of Epic Year 2017. From the Protestant Church launch of Allhallowtide 1517 to end of church age 1988 are 471 years. **471** “Fruit” = 3 x **157** “New Covenant” and “Everlasting Salvation.” Thomas Edison was granted his patent for the electric light on **1/27/1880**, 137 years before the light of 2017.

The 306th prime # **2017** minus the 259th prime # **1637** = **380** “Firmament”
380 = 2 x **190** “Appointed,” “End,” “Time,” “Canaan”

Thomas Edison's invention of the "Light"

Edison continued to improve this design and on November 4, 1879, filed for U.S. patent 223,898 (granted on **January 27**, 1880) for an electric lamp using "a carbon filament or strip coiled and connected to platina contact wires".[57] This was the first commercially practical incandescent light. : Wikipedia, Archives.gov

- Thomas Edison filed his US patent on electric light Nov. 4, 1879
- His electric light patent # 223898 was granted **Jan 27**, 1880
- Jan 27 = "127" = Sarah's time of life to the Promise Land (Gen 20:1-2)
- 127 = anagram of "2701" and "2017" / **1880** = "Most High"
- **G2017** = "to shine upon," "to give light"

➤ From man's invention of "Light" 1880 to man's year of "**Light**" **2017** = "**137**" years

137 = "Surrounding Brightness," "Tittle," "Qabalah," "The Seventh"

➤ From Edison's light patent **1/27/1880** to Third Day 11/3/19 are **51,049 days**

51,049 = **71** "Fullness," "Dove x **719** "Beginning"

➤ From ISON Thanksgivukkah 11/28/13 to 3rd Day 11/3/19 are **2166 days**

2166 = 6 x 19 x **19** "The Earth," "He shall come"

2166 = 19 x **114** "Lightning"

2166 = 6 x **361** "Flesh"

6 x 19 = **114**

John 1:14

And the Word was made **flesh**, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of **grace** and truth.

Gen 1:14

And God said, **Let there be lights** in the **firmament** of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

Ezek 1:14

And the living creatures ran and returned as the appearance of a flash of **lightning**.

Isaac was 37 when Sarah was laid to rest at 127 in the Promise Land of Canaan (Gen 23:1-2). Shortly after Sarah died, Isaac married Rebecca. "Isaac" holds the value of 208, while Rebecca's numeric value is 153. 208 + 153 = **361** = 19 x 19. **361** = "Flesh," "Prince" and "Mt. Zion."

➤ From Allhallowtide November 1, 2014 to Allhallowtide November 1, 2019 = **1826 days**

1826 = 2 x **913** "In the Beginning," "Evidence" (Heb 11:1), "Everlasting Light"

~ Creation to Omega ~

Heaven and earth shall pass away: but my words shall not pass away. {Mark 13:31}

For verily I say unto you, Till heaven and earth pass, one **jot** [1111] or one tittle [137] shall in no wise pass from the law, till all be fulfilled. {Mat 5:18}

The iota subscript is the smallest letter of the Greek alphabet. It is a true letter that affects the meaning or a word and can be easily missed or mistaken for a mere accent mark as opposed to an actual letter that needs to be included in the numeric calculation of words. To compute the value of 719 for the word "beginning" (archei) found in John 1:1, you must include the minute letter - iota subscript as magnified here in red. ἀρχῆ_ι = (archei)

The inclusion of the iota subscript in John 1:1 is needed to unfold its geometric correlation with Genesis 1:1 and the Divine Name **LORD GOD** (112) and unlocks intricate patterns of revelation autographed by God. John 1:1 geometrically integrates with Genesis 1:1 only if the iota subscript is included in the calculation. Without the "iota," the sum of John 1:1 comes 10 short of 3627 and the *Foundation Triangle* goes unnoticed.

Corresponding to the duration of the world ending in **13031 years**, the sum of John 1:1 can be factored with the reflective numbers **13 and 31** as follows: **3627 = 3 x 3 x 13 x 31**. "13 x 31" equates to **403**, which holds the value for "Thy salvation comes!" "And God called." *The Bible Wheel* uncovers an amazing Key-Link from **the voice calling** in the wilderness between Isaiah 40:3 and the 40th book, 3rd chapter of the bible, which is Matthew chapter 3.

The voice of him that crieth in the wilderness, Prepare ye the way of the LORD, make straight in the desert a highway for our God. {Isa 40:3}

For this is he that was spoken of by the prophet Esaias, saying, The voice of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight. {Matt 3:3}

The only total solar eclipse in 2019 occurs on July 2, which is 121 days from the consternation of Allhallowtide 10/31/19. 121 = 11 x 11. 121 = "Nineveh," "secret" and "dryland." Amen.

Creation Hyper Holograph: The Divine Prologue

That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life; {1 John 1.1}

The advent of the iota subscript (*jot 1111*) unlocked the supernatural design of the Divine Prologue in one fell swoop. Never have I experienced anything more like a key opening a door - and that with a door I had been rattling for over a decade!

There are five iota subscripts in first five verses of John 1. The one that sparked the discovery is found in the archei (beginning) of John 1.1:

$$\begin{array}{l} \textit{Beginning} \text{ (dative case)} \\ \alpha\rho\chi\eta\iota \\ \textit{archei} \end{array} = \underline{719}$$

The iota subscript transforms the value of arche from 709 (a prime - its value in the nominative case) to 719 (also a prime - its value in the dative case). Inclusion of the iota subscript in John 1.1 is what revealed its geometric integration with Genesis 1.1 and the Divine Name LORD GOD (112), as discussed in the last article - John 1.1.

Exactly the same word is repeated in John 1.2. In this case, inclusion of the iota subscript transforms the entire verse into a self-reflective holographic fragment. We have the identity:

$$\begin{array}{l} \textit{The same was in the beginning with God.} \\ \omicron\upsilon\tau\omicron\varsigma \eta\nu \epsilon\nu \alpha\rho\chi\eta\iota \pi\rho\omicron\varsigma \tau\omicron\nu \theta\epsilon\omicron\nu \\ \textit{Outos en en archei pros ton theon} \end{array} = 2876 = 4 \times \underline{719}$$

This is represented in the figure below:

"The Vision Speaks"

719 = "Beginning"

After eight years of eagerly watching, waiting, counting, confirming and praying through a mire of inspiring persuasive time paths; in retrospect, the final leg of the journey turns out to be rather simple when presented plain upon the timeline. The vision "doubled twice" means it's a guarantee established by God ($441 = 3 \times 3 \times 7 \times 7$), ($343 = 7 \times 7 \times 7$), (Gen 41:32).

719 days from May 21, 2011 ended "two full years" at 5/9/13 to begin the Sabbath Journey count of 1637 days to the sign of 10 days back from Epic Chai Sarah 11/11/17. From there a final count of 719 days led to 11/1/19 which coincided with 2368 days from 5/9/13.

"At the end of two full years..." {Gen 41:1}, Joseph interpreted Pharaoh's dream and therefore was rewarded. Joseph understood the vision of many doubles as a guarantee that God's promise is established and will shortly come to pass.

And for that the dream was **doubled** unto Pharaoh **twice**; [it is] because **the thing [is] established by God**, and God will shortly bring it to pass. {Gen 41:32}

And Pharaoh said unto Joseph, See, I have set thee over all the land of Egypt. And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck; And he made him to ride in the second chariot which he had; and they cried before him, Bow the knee: and he made him [ruler] over all the land of Egypt. {Gen 41:41-43}

13 years prior, Joseph's eleven brothers plotted to slay him for his dream of the sun, moon and eleven stars gave reverence to him.

And they said one to another, Behold, this dreamer cometh. {Gen 37:19} = **1331**

And **Reuben** **259** heard [it], and he delivered him out of their hands; and said, Let us not kill him. {Gen 37:21}

Reuben's sparing of Joseph's life set the stage for his sale into the hands of Pharaoh. "Reuben" holds the value of **259** (37×7). Gen 37:19 holds the value of **1331** ($11 \times 11 \times 11$).

“719” is encompassed in the number “913” which holds the value for “In the beginning” (Gen 1:1, John 1:1, John 1:14). While 719 counts the number of days from the end of salvation (5/21/11) to the “beginning” of the Sabbath Journey count at the Dryland Ascension Rainbow Eclipse 5/9/13; Genesis “9:13” is where God reveals to Noah the sign of the rainbow once he reaches dryland.

¹³ **I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.** And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: And I will remember my covenant, which [is] between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh. And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant between God and every living creature of all flesh that [is] upon the earth. {Gen 9:13-16}

Accordingly, “913” also equates to “**the LORD has made known his salvation**” along with the “**evidence**” which is the faith in the promise as expressed in Hebrews 11:1 and Hebrews [11:11](#).

Now faith is the substance of things hoped for, the evidence of things not seen. {Heb 11:1}

The chapter and verse of Hebrews “11:1” reflects Hezekiah’s date to know when on 11/1/17 (Allhallowtide) being 10 days back from Epic Chai Sarah 11/11/17. Fittingly, “111” holds the value for “**The Beginning of Wisdom**” as well as “Aleph,” “come forth,” “wait” and “House.” “111” is the result of 3 x 37 and first located at the 153^d position of Pi.

Significantly, 913 is the result of 11 x 83. “83” is the ordinal value of God’s rainbow verse Genesis 9:13. “83” also values “The Holy Covenant,” “My substance,” “**Man lives**” and “**The Bread**” underscored in Deuteronomy 8:3 as presented by the Bible Wheel illustration below:

In John 6 when Jesus makes provision for the multitudes ³⁴“Jesus said unto them, **I am the bread of life...**” ⁴¹“The Jews then murmured at him, because he said, I am the bread which came down from heaven.” Amazingly, Jesus tested their belief in His Ascension, which mirrors the test of the Sabbath Journey dryland Ascension eclipse start 5/9/13, 719 days from May 21, 2011.

⁶² **[What] and if ye shall see the Son of man ascend up where he was before?** ⁶³ It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, [they] are spirit, and [they] are life.... ⁶⁶ **From that [time] many of his disciples went back, and walked no more with him.**

The 1948 WWII Generation sworn not to pass...

In His fig tree parable prophesying the rebirth of nation Israel, Christ swore that *“this generation shall not pass”* until the end of the world was fulfilled. Using WW2 vets as a marker, the charts below indicate that less than 400,000 vets are still alive today.

³² Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer [is] nigh. So likewise ye, when ye shall see all these things, know that it is near, [even] at the doors. Verily I say unto you, **This generation shall not pass, till all these things be fulfilled. Heaven and earth shall pass away, but my words shall not pass away.** {Mat 24:32-35} ([Luke 21:31-32](#))

³⁰ Verily I say unto you, that this generation shall not pass, till all these things be done.

³¹ Heaven and earth shall pass away: **but my words shall not pass away.** {Mark 13:31}

The expiration of *“this generation”* should be crystal clear for the world to see that their time is almost out. But for those with wisdom, the insertion of the tiniest letter valued at 1111 elevates the significance of this verse from the *beginning to eternity* at the 12,700th position of Pi.

For verily I say unto you, Till heaven and earth pass, one **jot** [1111] or one **tittle** [137] shall in no wise pass from the law, till all be fulfilled. {Mat 5:18}

The sum of the divisors for 1111 is [1224](#), “The Net.” 1224 = 2 x [612](#) “Scripture” & “Covenant;” = 8 x 153, = 4 x [306](#) “Instruction,” “Wife.” [137](#) = [Mysterious Fine Structure Constant](#) / Light

The Lisbon Earthquake - Aftershocks

The synchronization of the 1755 Lisbon Earthquake unveiled on the 2014 & 2017 timeline of this watch can be viewed as a time-capsule and affirmation that God has guided the ultimate revelation, which has been held in store since the beginning of time. But in the 18th century, the aftermath of the Lisbon Earthquake only intensified a progressing intellectual debate over God's immediate involvement, or lack thereof, in the earthly affairs of man.

Due to the evolution of science and physics spearheaded by Isaac Newton among others, there was a movement in reasoning from a spiritual perspective to a scientific understanding of the universe. Although there were many other disasters throughout history, the [Lisbon Earthquake](#) was unique as a major religious district within a major capital trading center in the world at a time of revolutionary thought. Suddenly, the earthquake disrupts their most ardent day of the year. In disregard to the sacred feast days that God meticulously decreed in the bible (Lev 25); "All Saints Day" (*Allhallowtide*) was boldly manufactured by the church resembling the children of Israel who boldly created the golden calf in brazen disregard for the 2nd Commandment.

After three quarters of the city was destroyed, the remnants were left bewildering the cause of their affliction. The intellect publicly debated ranging theories from spiritual to physical that are preserved well [documented](#) for our review. However, as the scene erupted of quake, fire and flood, the people were desperately seeking mercy over reasons why their churches fell as the brothels stood on their Sunday morning worship.

In the end "Mother Nature" won the debate of ownership for disasters, which has transcended down in the minds of man right up to the present time. Thus, the masses have chosen to live under the control of nature rather than the authority of Almighty God. Moreover, The Creator has been removed from the equation of life altogether as science has actually determined that life began with a chance explosion, which ignited a theory of evolution since over 4 billion years ago (*Which really implies: No beginning = No end*). Undermining the Holy Word, man's evolution has become a standard curriculum for "higher level" education throughout the world today.

Noah, of course, is identified as iconic in the biblical account of the greatest disaster ever recorded. After being warned by God of the impending judgment in "yet seven days" ([Gen 7:4](#)), only Noah and his family took refuge on the ark with select species before the door was shut. In the sign of the rainbow, God remembered Noah once he reached dryland. Precisely 7,000 years later (*a day for 1000 years - [2 Pet 3:8](#)*) to the guaranteed end of salvation May 21, 2011, on the same biblical date of the flood - Iyar 17; the remnant who repented in taking heed to the warning found comfort in salvation of the Lord Jesus Christ. With all the elect saved, it began the ultimate Sabbath or rest from their commission to send forth the gospel.

And he called his name Noah, saying, **This [same] shall comfort us concerning our work** and toil of our hands, because of the ground which the LORD hath cursed. {Gen 5:29}

Anyone who has survived a disaster can attest to the utter fear of taking cover, fleeing and praying to escape the face of danger and the imminent threat of death. The most ardent atheist will cower for mercy when the ground is violently shaking beneath him. The maker of the heavens and the earth can command attention at the sudden strike of lightning and roar of thunder. In fact, the warning of 2011 was aided by *190 of 305* tornados slamming US over *April 27-28th*. At the giving of the Ten Commandments, the presence of the Lord was never in question.

¹⁶ And it came to pass on the third day in the morning, that **there were thunders and lightnings, and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that [was] in the camp trembled.** ¹⁸ Now Mount Sinai was all in smoke because the LORD descended upon it in fire; and its smoke ascended like the smoke of a furnace, **and the whole mountain quaked violently.** {Exo 19:16, 18}

Immediately after doubling down on His rainbow promise to Abraham ([Gen 17:7-9](#)), God saw the sin of Sodom and Gomorrah “*exceedingly grave*” and turned the cities “*...into ashes condemned [them] with an overthrow, making [them] an ensample unto those that after should live ungodly...*” ([Gen 18:20](#), [2 Pet 2:6](#)) Curiously, in 1748 - “**7 years**” before the Lisbon Earthquake, the ashes of Pompeii’s volcanic eruption (8/24/79) was discovered with depraved artifacts - that replicated the sin of Sodom & Gomorrah were well preserved within the ruins. Surely the Lisbon population would have been well aware of the breaking news only 7 years before the devastation. The fact that the brothels remained standing above the churches is a testament “*...that judgment must begin at the house of God...*” ([1 Pet 4:17](#)). The Jesuit Priest Gabriel Malagrida also understood the earthquake as a harbinger of pending judgment in stark terms:

"An Opinion on the True Cause of the Earthquake," 1756

Learn, O Lisbon, that the destroyers of our houses, palaces, churches, and convents, the cause of the death of so many people and of the flames that devoured such vast treasures, are your abominable sins, and not comets, stars, vapours and exhalations, and similar natural phenomena. Tragic Lisbon is now a mound of ruins. Would that it were less difficult to think of some method of restoring the place; but it has been abandoned, and the refugees from the city live in despair. As for the dead, what a great harvest of sinful souls such disasters send to Hell! It is scandalous to pretend the earthquake was just a natural event, for if that be true, there is no need to repent and to try to avert the wrath of God, and not even the Devil himself could invent a false idea more likely to lead us all to irreparable ruin. Holy people had prophesied the earthquake was coming, yet the city continued in its sinful ways without a care for the future. Now, indeed, the case of Lisbon is desperate. It is necessary to devote all our strength and purpose to the task of repentance. Would to God we could see as much determination and fervour for this necessary exercise as are devoted to the erection of huts and new buildings! Does being billeted in the country outside the city areas put us outside the jurisdiction of God? God undoubtedly desires to exercise His love and mercy, **but be sure that wherever we are. He is watching us, scourge in hand.**

As noted in the episodes noted above, the identification of heightened iniquity was targeted as a key factor in the location of God’s wrath. Prominently still baked in present memory, New Orleans was the target of a deadly Hurricane in the summer of 2005. New Orleans has become known as the Voodoo Capital of America. Voodoo is the setting of occult religious underground practices, which originated from the African continent and it’s a cultural form of Afro-American religions which developed within the Creole, French and Spanish speaking African American population of the state of Louisiana, which was designated as the center Mardi Gras.

Mardi Gras is a “*Christian holiday*” and popular cultural phenomenon that dates back thousands of years to pagan spring and fertility rites. Also known as Carnival or Carnaval, it’s celebrated in many countries around the world - mainly those with large Roman Catholic populations - on the day before the religious season of Lent begins. Brazil, Venice and New Orleans play host to some of the holiday’s most famous public festivities, drawing thousands of tourists and revelers every year. (History.com)

When Christianity arrived in Rome, religious leaders decided to incorporate these popular local traditions into the new faith, an easier task than abolishing them altogether. As a result, the excess and debauchery of the Mardi Gras season became a prelude to Lent, the 40 days of fasting and penance between Ash Wednesday and Easter Sunday. Along with Christianity, Mardi Gras spread from Rome to other European countries, including France, Germany, Spain and England. (History.com)
